Signing below authorizes on-site inspections of your Cascade Shores home for obvious problems such as storm damage, running water, break-in, unlocked or open doors & windows. The patrol officer normally inspects on foot and walks around the perimeter of your house. Under difficult weather conditions of if there are access problems, he will do the best he can.

These forms will be given to Tom for his exclusive use. Tom Bennett can be reached at 530-264-7489 or cell # 515-360-0596 or Email: tbennitoia@gmail.com for any questions.
